Indoor Safety Procedures (updated 8/7/20)

These procedures have been put in place for the health and safety of Ace dancers, families, faculty, and our greater community. We have taken great care to follow CCHS, CDC, and WHO guidelines. Our Ace staff and parent volunteers have been trained to utilize proper cleaning techniques, enforce social distancing, and ensure that the following procedures are effectively implemented.

1. Prior to taking class, parents and dancers are required to watch Ace's Safety Procedures Video
2. Face coverings must be worn by all students and staff
3. Dancers must arrive to Ace fully dressed in dance wear with slip-off style flip flops/shoes
4. Dancers must bring personal dance shoes, water bottle, and hand sanitizer to class (Think before leaving home: S.W.S. for shoes, water, sanitizer)
5. No additional backpacks/gear within the studio; parent must make prior arrangements with Ace if storage is necessary
6. Contemporary dancers are required to wear ballet or jazz shoes; Magenta and Burgundy may wear socks
7. No bare feet at the studio
8. No physical contact at the studio (no handshakes, fist bumps, elbow bumps, hugs)
9. Social distance minimum of 6-10 feet apart must always be maintained
10. Parents should check dancer's temperature prior to coming to the studio. At check-in, temperature will be taken with a no-contact thermometer; dancers with 100.4 or higher will not be allowed to take class
11. Hand sanitizer must be used at check-in
12. Dancers must change into dance shoes immediately upon entering the facility
13. Each student is assigned one cubby for shoes, water, and sanitizer
14. After placing items in cubby, dancer should sit in assigned rectangle; students must dance in their rectangle for the duration of class
15. Parents are not allowed in the studio, except by appointment at the front desk
16. Parent viewing, virtual make-up classes, and virtual instruction is available through SpotTV
17. If ill, dancers and faculty must stay home; anyone exhibiting symptoms associated with COVID-19 will be isolated and sent home
18. Dancers ages 10+ will sanitize their rectangle and cubby at the completion of class; teachers will sanitize rectangles and cubbies at the completion of classes for ages 3-9
19. If used, ballet barres will be sanitized by teacher at the completion of class
20. Fans will not be used in studios
21. Brand new MERV-13 air filters have been installed throughout our facility
22. Bathrooms and common areas will be cleaned and sanitized throughout the day; only one dancer in the bathroom at a time
23. The Female Dressing Room and Drinking Fountain are closed at this time
24. Dancers who wish to remain in the lobby area or the outdoor area in between classes must make prior arrangements with Ace
25. Parents and dancers must adhere to Check-In and Pick-Up circular pathway in parking lot
26. Dancers who are unable to follow social distance and no contact guidelines will not be allowed to continue with class; no refunds will be given
